<p>“And He... wondereth that there was no intercessor.” Is. 59:16 The reason many of us leave off praying and become hard towards God is because we have only a sentimental interest in prayer...It sounds right to say we pray... our minds are quieted... but Isaiah implies that God is amazed at such thoughts of prayer. Intercession means that we rouse ourselves to get up to the mind of Christ about the one for whom we pray. Too often instead of worshipping God, we construct statements as to how prayer works. Are we worshipping God or disputing with God?... Are we so worshipping God that we rouse ourselves up to lay hold on Him so that we may be brought into contact with His mind about the ones for whom we pray? Oswald Chambers</p>
