<p>If the Son of God is born into my mortal flesh, is His holy innocence and simplicity and oneness with the Father getting a chance to manifest itself in me?... The Son of God is born into me by a direct act of God; then I as a child of God have to exercise the right of a child, the right of being always face to face with my Father... Am I simple enough to identify myself with my Lord in this way? Is He getting His wonderful way in me?... Is the Son of God praying in me or am I dictating to Him? Oswald Chambers</p>				1	2	3
